EGLINTON PTA's

Star-Studded Eggstravaganza!

We invite you to take part in our celebrity inspired Easter Egg Decorating Competition!

Celebrities come in all shapes and guises from popstars and politicians to movie stars and media stars! Perhaps you prefer a cartoon character or a superhero? The world is your red carpet. Get your thinking hats on and send in your competition entries on either of the following dates:

Tues 19th, Wed 20th or Thurs 21st March

£1 per entry with all proceeds directly benefitting school.

All entries will be displayed in the school assembly hall on Friday 22nd March, 2024 where children and families can enjoy the display and cast a vote for their favourite entry!

One prize per class!

Easter Raffle

Once again this year each class will have an Easter basket with some Easter treats, these will be in classrooms from Monday 11th March. The children can choose a square, £1 a square and the winners will be drawn on Tuesday 26th March. Each class will have a winner.

SCHOOL MONEY APP

Our School Money App is well established and most areas of school incomings are payable online.

Please remember, school meals should be booked the day before required (**closes at 11:59pm**). If a child receives dinner, I encourage you to pay promptly to avoid large 'monies owing' amounts to develop.

If possible please pay for a number of items at once as this helps school with transaction fees.

Breakfast club is now payable online, we have worked hard in recent weeks to make the process more user friendly, if you are still having issues booking, please contact the school office for support.

Breakfast club is £1 per family for supervision (excluding families entitled to Free School Meals).

£1 per child for 3 items from the breakfast menu.

A new term of after school activities will start after Easter and are available to book soon, with the exception of Skills School Multi-skills.

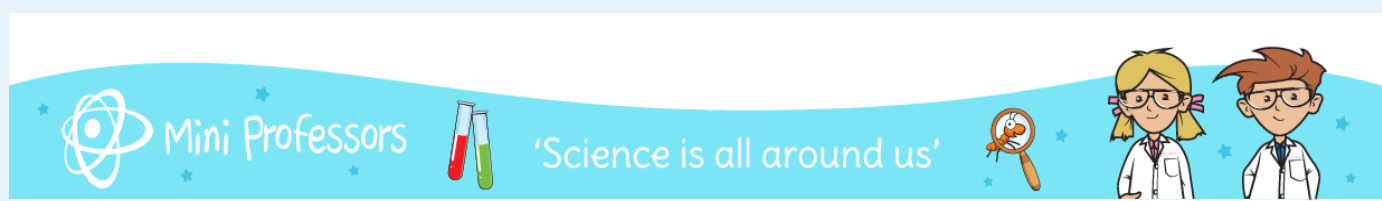

World Book Day

We are celebrating World Book Day on Thursday 7th March. Children are asked to wear a costume or comfortable clothes so they can get comfy to listen to our storytellers. Parents and extended family members have kindly volunteered to read to different classes and groups. We are looking forward to it already.

Science Week

British Science Week is 8th-15th March. To mark this the children will participate in a science workshop with Adam Dickson from Mini Professors, it promises to be an exciting session!

Down's Syndrome Awareness Day

Thursday 21st March

All you need to do is choose some socks that are going to get noticed - they might be mismatched socks or your craziest and most colourful socks, whatever takes your fancy!

If someone asks you about your socks you can tell them, *"I'm wearing them to raise awareness of Down Syndrome"*.
