Dear Parent

Arrangements for Sports Day: -

It is so difficult to know at this stage what the weather will be like on Thursday – we are hopeful for dry weather and will proceed unless the weather is **really** wet!

We are aware that parents and carers may have arranged time off work etc and we too are very hopeful that the day will progress as planned.

In the event of needing to postpone the day, school will send a text on Thursday morning before 8.30am – please have your phones handy, we will only do this if the weather is very bad. (We are trusting that Gillian has the most recent contact number!)

Sports Day will take place in the school grounds.

Year 1 and 2 will commence at **9:15am** on the grass to the left of their classroom.

Year 3 -7 will commence at **10.00am** on the sports field behind the carpark.

We hope to present medals immediately after the all the races have finished, but this will depend on weather and timings (if races take longer than expected we will have to break for dinner at 12:15).

Children can wear their sports clothes to school on Thursday. If they could wear their team colours it would be very helpful, teachers will inform the children of their team colours.

The canteen will serve a fun lunch afterwards.

(Don't forget Breakfast Club arrangements still available if required).
Remember also – sun cream as required – or possibly a coat!

Yours sincerely
E. McGuinness
