Nut Allergy

Please be advised that some children in school have been identified as having a severe nut allergy. As you will be aware, allergies can be very serious and can have life threatening consequences. Therefore, we must have your co-operation to manage this and keep all of the children safe and well.

We ask that children do not bring nuts or any food or sweets containing nuts to school. Don't forget, nut butters or Nutella sandwiches as well as some cereal bars are unsuitable.

There are many unexpected items that should be avoided as these 'may contain nuts'.

- Chocolate bars
- Cereals/Granola
- Baked Goods
- Energy /Snack bars
- Candy
- Flavoured coffee
- Lotions/shampoos/soaps

PTA—Halloween Event

The PTA met at the beginning of October and are excited to present some family activities over the coming months.

Our first event is a treat afternoon on Friday, 27th October. Children in Years 1-7 will be receive some spooky treats and activities from 1pm—3pm.

All children can come to school in fancy dress on Friday 27th — nothing too scary as the teachers are easily spooked!

PTA would be delighted with a donation of £2.50, payable on the school app.

PTA—Christmas Events

The PTA are looking froward to organising a 'Supper With Santa' event on Thursday 7th December. We will be in touch soon with confirmed dates and further information. The funds raised by our PTA this year

will fund a perimeter fence on the playing field and Outdoor Learning Development.

Years 1-4 look forward to inviting parents into school to share their Christmas performances, provisional dates are as follows: Y1-2 Tuesday, 12th December at 1:30pm. Years 3-4 Thursday, 14th December at 1:30pm. Children can go home with their parents after the performance.

Years 5-7 will host a Coffee and Carol afternoon on Wednesday, 20th December at 1:30pm to get everyone in the Festive Spirit, we would love you to join us.

MEDICINES POLICY

We have had to review our medicine policy in recent weeks. Staff can administer prescription medicine as necessary. This should be clearly labelled and documented through the school office. Unfortunately, staff can no longer administer over the counter medicine such as Calpol or Nurofen. As always it is important to assess your children's health before coming to school. If children have a temperature or are feeling unwell, school may not be the best place to recuperate. In recent weeks we have been experiencing high level of staff and children sickness, this puts a significant drain on our resources.

COMMUNICATION

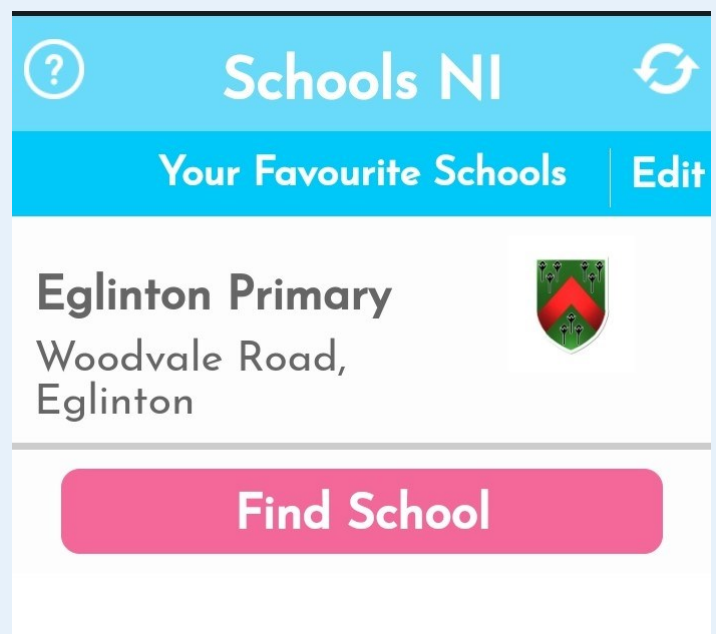

All school messages will be sent via the school app, as this is the most cost effect method for school.

Please ensure that you have the school app downloaded to your phone and that notifications are switched on.

The app can be downloaded free from the app store. Grandparents and childminders can also download this to keep informed.
